

# Shipping to Canada

## Things to Note:

- We cross the US/Canada Border at 3 locations every business day.
- For faster transit, we electronically transmit customs documentation before the shipment arrives at the Canadian point of entry.
- If paperwork listed below is not presented at the border, the shipment will be delayed.

## Paperwork Required from Shipper:

- Bill of Lading (BOL)
- Canada Customs Invoice or Commercial Invoice (***must have the following info***)
  - Mark the name of the Canadian Customs Broker anywhere on the BOL
  - Shipper, Consignee Name & address
  - Importer (*If it's not the same as the Consignee*)
  - Pieces & weight
  - Full Description of goods
  - Invoice amounts (*unit price & total*)
  - Currency of Settlement (*US or Canadian funds*)
  - Country of Origin (*where the individual products are made*)**(Shipper's responsibility to complete customs documents)**
- Certificate of Origin or USMCA Certificate (if required).
  - This form may already be on file with your customs broker. A blank certificate is available on our website's Forms page.
